

Romans 1:5-6: "Through Him we have received favor and office of the emissary in obedience to the belief among all the nations on behalf of His Name, among whom you also are the called-ones of Yahusha Mashiak." BYNV

RETURN TO THE COVENANT

The gentiles from the ends of the Earth will acknowledge that their forefathers have inherited nothing but lies. An old Yiddish

("Jewish") saying says,

"The Mashiak you are expecting will never come: the Mashiak that is coming you have never expected." What is the Truth about the Old & Renewed Covenants?

OLD COVENANT: [see Hebrews 8:13]

Offering **animal** blood became obsolete. There has been a change in the priesthood.

Animal blood was never able to redeem anyone permanently. What has grown **old**, and has disappeared, is now replaced by a renewed Covenant that redeems all who trust in it.

RENEWED COVENANT:

Yahusha's Blood offered once for all sin ended the written procedures on the scroll placed **beside** the ark (Dt. 31:26), not the eternal Covenant written by the finger of Yahuah on the tablets **inside** the ark.

The Ruach ha Qodesh shed His Own blood (Acts 20:28), redeeming us completely. His Torah is now written on our hearts by Yahusha, Who lives in us with power, enabling us to live in steadfast obedience. REV.2:

"I know your works, and your labor, and your endurance, and that you are not able to bear evil ones, and have tested those who say they are emissaries and are not, and have found them false; and you have been bearing up and have endurance, and have labored for My Name's sake and have not become weary. But I hold this against you, that you have left your first love. So remember from where you have fallen, and repent and do the first works, or else I shall come to you speedily and remove your lampstand* from its place, unless you repent. Yet this you have, that you hate the works of the Nikolaitanes, which I also hate."

CHRISTIANS ARE IN TROUBLE

PASTORS ARE LEARNING ABOUT THEIR TRADITIONS

"Christians Are In Trouble"

- says a resigned pastor . . .

Christian pastors are beginning to learn there is something very wrong with their traditions.

They perceive a circular pattern in their festivals, then discover the outward crust is only masking the pagan origins of their practices: the worship of the host of heaven. Christmas, New Year, Valentines, Easter, Mother & Father Days, and Halloween are celebrated world-wide, and all the merchants promote each of these **fertility festivals** many weeks ahead to exploit the sleeping hypnotized crowds. Their pastors sit and watch, never blowing the shofar to warn anyone. Their doctrines are built on sand, not based on the Scripture of Truth, so their witness is without a firm foundation. **If you begin to do what is written in the Word, they ask you NOT TO ATTEND their assembly.**

Christian pastors are resigning all around the world in order to serve Yahusha, not their denomination's orders. They are renouncing their "ordination" to teach lies. One pastor actually stated that

 BE RESTORED TO FAVOR**

Christians are in trouble:

*"We want to come into more understanding about certain doctrines and desire to be baptized in the Name of our Savior Yahusha to the [esteem] of Yahuah. Myself in Christianity was a preacher with general license; My wife and I resigned from this religion on 12-11-18. On 14 December we came shockingly into the understanding that Christianity is false and **Christians are in trouble.**"*

Danial 12, Mt. 24, and Malaki 4 are being recognized by those hearing the call of Yahusha. Those who know Him abide in His Word, and they know the Truth. All else is witchcraft (rebellion).

GLOBAL CURSE FOR DISOBEYING

Malaki 4 describes a message for the whole Earth, yet it is never heard from Christian prophecy teachers. **It's time to repent.**

The obelisk and wreath are only esoteric symbols of fertility.

The crowd only sees the *exoteric* (outsider's) interpretation of the symbol or behavior.

What do you imagine will happen to these objects of fertility all over the Earth when Yahusha returns to reign? Obelisks, domed capitols, and steeples will disappear, but His Word will endure forever.

OBEDIENCE?

Paul's letters are misunderstood. Concerning the idolaters Paul was used to convert, Paul writes: "And to Him who is able to establish you according to my Besorah and the preaching of Yahusha Mashiak, according to the revelation of the secret which was kept silent since times of old, but now has been made manifest, and by the prophetic Writings has been made known to all nations [GOYIM] according to the command of the everlasting Yahuah, for steadfast

obedience." [faithful obedience]

Romans 16:25-26 BYNV

Who Is HA SHEM ("the name")?

Have you read Malaki 3:16-17?

Many prefer to use **hashem** (the name) **Abba** (Father), or **Adonai** (LORD, sovereign) in place of the Eberith scriptures of Truth. They claim tradition, to project humility, or to not offend those who feel the Name written for us to **call on** in Scripture is too qodesh (set-apart) to utter aloud. How will they **hear** unless someone is sent to **speak** to them? (see Romans 10:13-14)

Yahusha is impressed with some, saying: "you have not denied My Name." (Rev. 3:8)

Yahusha is very upset with others who abandoned His Torah:

"Repent, and do the first works, or I will come to you and remove your menorah!" (Rev. 2:5)

AliYahu (commonly, Elijah) did not **say** any false terms to **call** on the true Alahim when the nabim of **Bel** and **Asherah** met him at Mt. Karmel. When all the people at Mt. Karmel saw the fire, they cried "**Yahuah! He is Alahim!**" (twice)

Why does it not read, "**hashem! He is Alahim?**" People live today as if Mt. Karmel and Mt. Sinai had never happened because their

"WE'VE INHERITED NOTHING: BUT LIES" 3

teachers lead them into confusion. The world SHOAH (ruin, destroy) is used in the 3rd Command of the Torah of Kasid, and cannot mean "vain." Consider the term *Yom haShoah*, the "day of destruction," when the Temple was destroyed, coincidentally the date the German government attacked the Yahudi-owned businesses, known as the "day of broken glass."

SHOAH means destroy, and by omitting the Name, it is destroyed. At YashaYahu 42:8 it reads:

"I am Yahuah, that is My Name."

At Psalm 23:1 it reads:

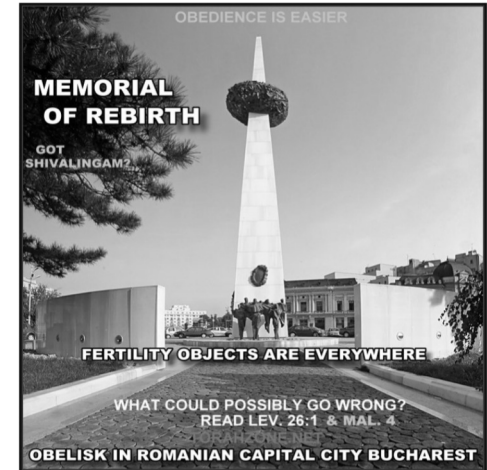

"Yahuah is my Shepherd."

How will they hear until someone is sent to **speak** to them?

YirmeYahu told us the Name was like a burning FIRE in his bones (20:9), and he could not hold it back. The devourer took it away.

Translators are leading people away from obeying the original belief.

Acts was written about 7 or 8 years prior to the destruction of the Hekal by Titus. Luke kept mentioning Shabath throughout his book to Theophilus. The text often cited at Kolossians 2 confirms the annual festivals of Yahuah (see Lev. 23, Dt. 16). These are the shadow (outline) of Yahusha's redemption

plan that is ignored by Christianity. The *shadow of things to come* is easy to understand in the BYNV translation at Kolossians 2:16-17: "Let no one therefore judge you in eating or in drinking, or in respect of a festival or a new moon or Shabaths – which are a shadow of what is to come for the Body of the Mashiak." Paul taught **Torah-obedience**, not *lawlessness*.

1 Corinthians 5:7-8 orders the converted pagans to "keep (guard) the festival" (of Pesak, or Passover) not with the leaven of men's philosophies. Paul told the pagan Corinthians to guard the feast, a shadow (outline) of our redemption. You will never understand these in your heart until you begin to **obey** and live like Yahusha. Open your heart to **obey Him**, and Yahusha will show you His Covenant.
